HARMONIE FESTIVAL 2011

June 2 to 6
Limburg-Lindenholzhausen

Dear friends of choir music and folklore,

“Unique and exemplary” was the impression the Second German Television Station (ZDF) had of the first HARMONIE Festival in 1981. From **June 2 to 6, 2011**, choirs and folklore groups with thousands of participants from throughout the world will be coming together again in Lindenholzhausen, the “smallest festival town in Germany”, where the sixth HARMONIE Festival is to take place.

Lindenholzhausen belongs to the city of Limburg/Lahn, which is considered one of the most attractive places in Germany with its picturesque old town and cathedral, which is over 750 years old.

The organizer of the festival, the choir **HARMONIE Lindenholzhausen** with its 80 members, has built up an international circle of friends while making concert tours and participating in festivals in Egypt, England, Greece, the Netherlands, Latvia, Macedonia, Russia, Austria, Switzerland, Czech Republic, Hungary and Wales. The greatest success to date has been at the renowned competition “International Musical Eisteddfod” in Llangollen (Wales) as well as national prizes at the “German Choir Competition”. Choirs from many European countries, as well as from Africa, America and Asia, have given concerts here and were guests of the “HARMONIE” families.

The HARMONIE FESTIVAL, with its international choir and folklore events and competitions, is considered as one of the most outstanding music festivals in the world. In 2005, more than 230 choirs and folklore groups representing 46 countries came to the fifth HARMONIE FESTIVAL. Patron was the Chancellor of the Federal Republic of Germany, Gerhard Schröder.

The Patron of the HARMONIE FESTIVAL 2011 is the Chancellor of the Federal Republic of Germany, Dr. Angela Merkel.

Radio and television from 11 countries and more than 80 newspapers and journals unanimously reported on the good organization and the high standard of competitions, folklore events, concerts and supporting events.

The second German Television Station (ZDF) reported in 2005: An unforgettable experience in the smallest festival city in Germany, an unbelievably large celebration with song and dance in competitions and concerts in which one sees the coming together of folks of different nationalities in an atmosphere of unity. This statement accurately describes the demand of this festival which exceeds the purely competitive atmosphere.

Artistic director of the HARMONIE FESTIVAL 2011 is Jan Schumacher. Honorary president is Jeroen Schrijner (from 2003 to 2009 President of Europa Cantat).

With this announcement we would like to present you a variety of competitions and events for choirs and folklore groups in various performance categories.

You are sincerely invited to take part in the HARMONIE FESTIVAL 2011 and we are looking forward to seeing you in Germany and in Limburg-Lindenholzhausen.

With compliments

HARMONIE Lindenholzhausen

Announcement for folklore groups

Folk dance and folk music

Folk dance, folk music and folklore groups have the opportunity to present themselves and the customs of their homecountry to an international public at various day-time and evening events during the festival. There is no limit to the number of participants per group.

During the context of a day-time event, interested groups have the possibility of being assessed (competition). Groups, which are not registered for competition may also take part in the day-time events (non-competitive).

The following areas of folklore were represented at the HARMONIE FESTIVAL 2005:

The Folklore-Competition

As in '93, '99 and 2005, we are running a competition with mutual assessment (participants jury). At the HARMONIE FESTIVAL '93, '99 and 2005 the majority of the groups decided on a competitive performance.

Conditions of competitive participation:

- One or more competitive events are held. Here Groups may take also part which are not in the competitions.
- The duration of the performance may not exceed 12 minutes.
- Choirs with a-capella performances or instrumental accompaniment are not permitted.
- Each group which participates competitively will receive an evaluation sheet. The 5 groups, which you consider to be the best, are to be noted on this sheet in the order of 1 - 5. You may not assess your own group. The assessment is made by the organizer as follows: 5 points for first place, 4 points for second place etc. (correspondingly for each assessment sheet).
- The participant groups will be informed in good time about further organizational conditions.
